***Please post to Teacher's resource board or circulate to the grade two, three and grade six classes.**

This school year I am celebrating sixteen years of sharing my Aboriginal culture with thousands of students in Southern Ontario. Would you like to enrich your students learning experience about aboriginal people without paying a huge expense and asking parents for even more money. This one hour presentation is the perfect hassle free way to bring museum quality artifacts into your classroom or library.

Visual displays will include Eagle feathers, various skins, porcupine quill boxes and jewellery, beadwork, 70 year old snowshoes, a traditional Jingle dress, dream catchers, drums, moccasins, birch bark baskets, sweetgrass and much more. Topics of discussion will include dwelling, transportation, hunting, clothing, ceremonies, dancing, celebrations, food and more.

*For the grade six classes, our topics will also include the fur trade, treaties, land claims, self government, status cards and a look at today's aboriginal communities.

Also included is our traditional bannock (peanut free) and for the kids to take home, the bannock recipe, a pattern for making dream catchers and a few legends. We will also have hands on time at the end of the hour and small souvenirs for the students to purchase, all priced at \$5.00 and under.

The cost is a flat fee of \$250.00 for a maximum of 70 students, references and a police check are available upon request. Please feel free to call or email me at your convenience.
